CLASS	TEACHER	ROOM	DESCRIPTION
'Applying the Parables to the 21st Century'	Collins Corder David Crumbaugh	Room 400	In this class we'll examine in depth the parables of Jesus and see how the lessons continue to impact us today.
"Spanish Class"	Larry Franke	Room 301	This class is especially designed for our members who wish to be involved in mission trips to Panama and Honduras in 2010, but anyone who wants to learn a little Spanish is welcome. Conversational Spanish, simple Bible readings and song lyrics in Spanish will be a part of this class. Students will need to purchase a book for \$13.00 for the class. The book will be available in class. This class will go through May.
"SALT: Defeating Doubt"	Aaron Robinson	Room 302	In an increasingly secular society, the pervasiveness of moral relativism continually blurs the lines between truth and culture. Christians are constantly faced with a barrage of issues and questions. The goal of the class is to equip Christians to defend their faith in a manner that does not polarize but rather challenges skeptics to find out more about Christianity.
Testimonies and Praises Prayer Group "The Lord has done great things for us and we are filled with joy". Ps 126:3	Wole Okunade	Room 303	As we begin the year 2010, we will spend some time together to talk of the wonderful works of God in our lives and praise Him for His awesomeness and His manifold blessings. Each week one of us will give a testimony of what the Lord has done or is doing in her/his life. You are invited to come and share your testimonies with the prayer team and let us praise God our maker together with a joyful heart.
"Literature of Faith"	Matthew Bardowell	Room 304	The Bible has had a profound influence on literature. In this class we'll examine several Biblical themes found in secular literature and discuss how the Bible continues to shape and mold culture.
